

## **Research Committee Report- Kiran MAGAZINE**

The Research Committee held its flag high this academic year as several teachers received UGC, University Research Grants and funding from collaborators for Projects. Regular meetings were held throughout the year with valuable inputs from the committee members and others.

Anubhav: A sharing of research experiences was organized in the month of September where faculty members from Arts, Science and Commerce shared their research insights and emerging concerns in their area of interest. Srujan is a forum that facilitates exchange of ideas, teaching and research methodologies across different disciplines, all of which prove to be an enriching experience for teachers. The Research Committee plans to take this initiative further by providing support in terms of information regarding funding agencies, Research Proposal Formats and other material to teachers. The event was coordinated by Dr Rakhi Mehta.

The following teachers shared their research insights:

Principal Manju Nichani

Dr. Hemlata Bagla

Dr. Vijay Dabholkar

Dr Smarjit Padhi

Ms. Asha Jindal(Statistics)	Female Literacy: Issues and Challenges in Rajasthan
-----------------------------	---
