About the Conference

There is hardly a walk of life which does not admit application of statistics. The all-pervasive nature of statistics has helped the decision makers gain never-before insights in an increasingly connected & digitalized world where data availability has seen unprecedented rise of late.

In this backdrop, this conference IOCAS-2020 aims to bring together Academicians, Researchers, Practitioners and Policy Makers from across the world & across the disciplines to share and deliberate their latest and innovative application of statistics. IOCAS-2020 is also expected to serve as a sounding-board for innovations and ideas where presenters can receive invaluable feedback from global peers.

A truly multi-disciplinary platform, this conference aspires to contribute to advancement of the field and enrich the participants with takeaways on most recent innovations, trends & practical challenges and solutions adopted in the field of statistics through empirical, experimental or theoretical presentations

About HSNC University, Mumbai

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today”

The above quote sums up the very essence of the new HSNC University! June 2020. A historical moment unfolding in the field of Education as the H(S)NC Board launches HR, KC and BTTC on the next level of development by constituting them into a Cluster University – called the “HSNC Mumbai University”. The HSNC Mumbai University, which is being built on the strongest credentials of its three constituent Colleges, will continue to hold the baton of excellence high, and move in the direction of setting loftier standards in the national and international higher education scenario.

HSNC University: Where Excellence is the only Compelling Option.

About K. C. College

The vision and pioneering spirit of Vidyasagar Late Principal K.M. Kundnani and Barrister Hotchand Advani spearheaded the establishment of Kishinchand Chellaram College in 1954, the second educational institution to be set up under the aegis of the H.(S)N.C Board. It has evolved as a premier institution of Mumbai which believes in imparting holistic education to students through its academic and extracurricular activities. True to its Motto and its Vision the College has constantly initiated a wide range of courses to address the needs of students in particular and society at large. Its quality policy and programmes ensure that students receive the best in all spheres. Starting with a mere 570 students in 1954, KC College today boasts of student strength of around 7000.

Academics is the biggest strength of any college and KC succeeds with flying colours here. Every year KC students have featured in the University list of Rank Holders. They have qualified in top national level competitive examinations and many secure admission in renowned universities abroad.

About Statistics Department

Statistics, a subject which offers immense and varied employment opportunities was first offered as a major subject at the B.Sc. level in 1958, K. C. College was amongst the first colleges of University of Mumbai to do so. The Department is committed to enhancing knowledge, and promoting research. The faculty have published several research papers in noteworthy journals, organized various seminars for faculty and students.

The Department is part of Star-DBT Scheme awarded to the College. Under this scheme, a computer laboratory for students has been set up and infrastructure is upgraded. Number of workshops are conducted under the scheme for faculty and students. Our graduates are placed in organizations all over the world.

About National Statistics Day

In recognition of the notable contribution made by Prof. Prasanta Chandra Mahalanobis in the fields of economic planning and statistical development in the post independent era, the Govt. of India has decided to designate 29th June every year, coinciding with his birth anniversary, as Statistics Day in the category of special day to be celebrated at the national level.
