PRESENTS

Best out of E-Waste

-  Taking an initiative to spread awareness about e-waste, The Computer Science Department of KC College is here with an event, Best out of E-waste!
-  This event will test your creativity and ability to make the best you can out of e-waste.
-  Participants must post reels on Instagram showcasing how they made the best use of e-waste.

Let your creativity flow!

Top Three Winners will get Prizes!
Participation Certificates will be provided to all

Rules for Best out of E-Waste

- ❧ Only individual entries are allowed.
- ❧ Models should be made from scratch.
- ❧ Inappropriate models will get you disqualified.
- ❧ Participants will be judged on their Creativity, Utilization of Resources, Artistic composition, design and overall presentation.
- ❧ Instagram account must be public.
- ❧ The decision of the organizing committee will be final.

Event Registration: 1st October 2021 to 10th October 2021

Last date for submission: 15th October 2021

Declaration of result: 20th October 2021

Registration Link (Please Click Here)
